Sources To Study History

SOURCE	EXAMPLE
Material remains	Radio carbon dating, megaliths, grand stone temples, monasteries
Inscriptions	Epigraphy, on caves, stone pillars, royal orders
Accounts by foreigners	Greek, romans, Chinese diplomats, navigators
Literary sources	Vedas, smritis, Mahabharata and other ancient texts
Coins	Found as an evidence of cross border and inter territory trade

Buddha

ABOUT			
Born-Kapilavastu Shaky(Kshatriya)	1st lecture- Sarnath	Died- Kushinagar	Book written- Tripitaka(Sutta Pitaka, Vinaya Pitaka, Abhidhamma pitaka)
1st council- Rajagriha Under Ajatasatru (For compiling teachings of sutta and vinayak pitaka)	2nd council-Magadha Under Kalasoka (Difference created among Buddhists due to strict living Codes)	3rd council- Patliputra Under Moggaliputta (council published Abhidhamma Pitaka explaining first two)	4th council - Kashmir Under kanishka king (division took place in this council)

REASONS FOR SPREAD OF BUDDHISM

i. Vedic religion was complex & expensive
ii. Pali language was becoming famous (It was easier than Sanskrit and was called language of common)
iii. Buddhist monks in Magadha, maurya & Kings like Prasenjit, Bimbisara, Ajatasatru, Ashoka, Kaniska and Harshavardhan
iv. Universities at Nalanda, Puspagiri, Vikramasila, Ratnagiri, Odantapuri and Somapuri
v. Buddhist councils

REASONS FOR DELCINE OF BUDDHISM

i. Rites & rituals of Hinduism was simplified
ii. Buddhist monks gave up pali language
iii. Emergence of rajputs who discarded Buddhist principle of non-violence
iv. Lack of support from royal kings like ashoka & over that there was muslim invasion
v. Division of Buddhism (losing originality)

BUDDHISM MAIN DIVISION

1st division- Hinayana (those who believe in books)	2nd division- Mahayana (those who believe in idols)

Symbol Significance In Buddhism

GREAT BUDDHISM EVENTS	SYMBOLS
Avakranti (conception)	White elephant
Mahaparinirvana (death)	Stupa
Nirvana (enlightenment)	Bodhi tree
Dharmachakra parivarthana (1st sermon)	Wheel
Jati (caste)	Lotus
Mahabhinishkarmana (great renunciation)	Horse

5 Teachings In Buddhism

No killing	No theft	No sexual misconduct	No intoxication	No falsehood

Important Buddhist Scholars

Asvaghosha	Nagarjuna	Dharmakirti	Buddhaghosha	Mogalliputta tissa

Magadh Empire

ABOUT	
Magadha (Bihar) Founded by – Bimbisar	
1st capital -Rajgir	2nd capital- Patliputra
Rich in iron, Magadha was fertile land	
Magadha used elephants in wars, Magadha had a regulated army	

Magadh Victory

IMPORTANT ASPECTS
Kashi,koshalayas, magadha and vajji were the four mahajanpadas emerged as victorious and sustained
After many wars between these four magadha emerged as victorious
Best use of elephants in war significantly helped magadha prosper
The top authority and their fearless attitude like ajatashatru, bimbisara motivated the troops to do well

Dynasties

DYNASTY	ABOUT
Haryanka	Bimbisara, ajatashatru, ujayin were the prominent rulers. Marriage with other dynasties helped bimbisara in the betterment of the relation with the neighbouring mahajanapadas. Ajatashatru killed bimbisara to annex the throne. Both were buddhas contemporary Ujayin succeeded his father to the throne Shifted the fort and the capital to patliputra at the confluence of ganga and son to a strategic position
Shishunagas	They were amatyas i.e the minister and after the frustration from the parricidal succession of the previous dynasty. Kalashoka the son of shishunaga shifted the capital to the Vaishali and hosted the 2nd Buddhist council in 383 BC
Nandas	Mahapadma nanda who was a shudra laid the foundation of the kingdom He was known as the destroyer of all the kshatriyas and overthrew many great mahajanapadas He was a learner of Jainism and had Jain ministers in his court Proved to be the strongest of the empire till date at Magadha Dhanananda was the last ruler but because of his incompetency and negligence and cruelty people hated him. At the end Chandragupta with the help of Chanakya overthrew him and established the Mauryan empire.

Alexander

ABOUT	
Alexander came to know about Indian wealth from Iranian invasion	
Alexander invasion made Indians think about unified empire	
He Captured- Punjab, Gandhar, Sindhu, Takshshila	He Opened- Gandhar school of arts, astronomy
Alexander Discovered 3 land and 1 sea route to India	

Scanned with OKEN Scanner

Indo Greeks

ABOUT
They ruled mainly in three areas- bactria, taxila and sagala
They were the first to issue the gold coins with photos of kings and gods
They were technically very advanced as can be seen in metallurgy, mining, astonomy, medicine etc.
They were patrons of Buddhism Jainism. Gandhara school of art being their most prominent contribution
They adapted very well in the Indian society and hence got indigenised
Parthans, kushans and saka dynasties are the ones established by the Indo Greeks

Mauryan Empire (Shudras)

ABOUT		
Foundation by Chandra Gupta maurya (He dethroned Dhannananda, last Nanda ruler) Chandragupta maurya advisor-Chanakya	His son Bindusar conquered they were first to have navy in their defence forces.	Bindusar's son was Ashoka Ashoka was famous for kalinga war. He is explained in maski rock texts
Megasthenes visits India to Mauryans and wrote about them in his book Indica		
Trade flourished during Mauryans, whole northern India was united.		

MAURYAS DECLINE	
Highly centralised administration	Pressurised economy
Partition of Mauryan empire	Weak rulers in later period

Mauryan Age

IMPORTANT ASPECTS
Here the janapadas learned the importance of territorial control and hence were focussing on territorial expansion to become a mahajanapada.
Jainism and Buddhism mostly helped in the philosophical development of the society
Punch marked coins used for the first time, to show the authority of the king Brahmi script appeared for the first time
Except in Buddhist and Jains , the condition of the untouchable and the women degraded

Mauryan Empire

KEY POINTS
Empire was known as a remarkable period in the Indian history, they were the first recorded empire to rule over the entire subcontinent except Kerala, Tamil Nadu
Chandragupta the first ruler's lineage is not mentioned anywhere but it is said that he was a Shudra women's son and seeing his potential, Chanakya convinced his mother to allow him to train with him
Greeks have mentioned him with the name of Sandrokottos
Megasthenes was the Greek ambassador at Chandragupta Maurya's court
Chandragupta gifted empire to his son Bindu Sara and became a Jain monk and spend rest of his life in Karnataka
Bindusara is referred to as amitraghata, and was a compassionate ruler, he appointed his son Ashoka as the governor of Ujjain
Deimachus was the greek ambassador to bindusara court
Chanakya, was a brahmin who is considered as the chief strategist who trained Chandragupta Maurya to rise against the dhananand
He wrote the book arthashastra which had all the information about the economic, military administration and other affairs of the Mauryan kingdom. He was called Indian Machiavelli
Ashoka, the third ruler is considered as the greatest of all time to have ruled the country
He ruled a large area from Afghanistan to Bangladesh and from Hindu Kush mountains to Kerala.

Scanned with OKEN Scanner

Initially, he was a violent to get the throne, later on after the Kalinga war and mass destruction, he left and attained path of love and peace by becoming a follower of buddha
He was chosen dharma Mohapatra to spread Buddhism in Asia & constructed Ashok stambh to spread Buddhism.
He also sent his daughter sangha Mitra and son Mahindra to spread the learnings to Ceylon.

Fall Of Mauryan Empire

IMPORTANT POINTS
The Policy of the Mauryas was criticised by the Brahmans who used to sustain on the royalty given by the kings, later on many of the Brahmans retaliated and formed their own empires.
The financial crisis also led to the decline as the taxes collected were not enough to sustain a huge army & was also not enough to pay the salaries to the ministers who out of frustration retaliated in the future
Absence of an influential leader after the death of Ashoka gave an opportunity to the provincial governors to call themselves as independent and make their own territory.
Brihadatra, last Mauryan ruler was killed by his own commander in chief Pushyamitra, which finally ended the great empire.

16 Mahajanpads

MAHAJANPAD	CAPITAL
Kamboja	Rajpur
Vatsa	Kaushambi
Avanti	Ujjaini/mahishmati
Shurasena	Mathura
Kuru	Hastinpur
Chhedi	Sukhimata
Malla	Kushinara
Matsya	Virat nagari
Vajji	Vaishali
Panchal	Kampilya
Kashi	Banaras

1760	Treaty signed to make Mir Qasim the Nawab and capital shifted from Murshidabad to Munger
1765	Treaty of Allahabad was the foundation stone for the Britishers as they were granted Diwani rights (Fiscal rights) of Bengal Bihar and Orissa

British Annexation Policies

POLICY	POLICY - MAKER
Ring fence policy	By Warren Hastings, to create zones in order to defend the Company's borders, acquired territories were given security by the EIC but on their own royalty. Policy was used against Maratha & Mysore
Subsidiary alliance	By Lord Wellesley wherein allying Indian states ruler was compelled to accept permanent stationing of British force within his territory for protection and in return state had to pay subsidy for maintenance. The Nizam of Hyderabad was the first to accept External relations of states were taken care by EIC, No state was to declare war. State couldn't employ Europeans without British permission. This helped EIC prevent any confederacy against British. Due to this rulers disbanded their armies, people were unemployed & many Indian states lost independence
Doctrine of lapse	By Lord Dalhousie, according to it only real blood son can succeed the throne and if not having any legal male heir then state will be annexed by the British. Adopted son can only inherit fathers personal property and not kingdom. There was lot of unrest in the country and it led to Indian Revolt in 1857

Moderates & Extremists Leaders

MODERATES	EXTREMISTS
Used only peaceful methods like prayers, petitions for their demands	Were always ready to use the methods like boycott, rallies to convey their demands
Higher class people	Middle and lower class people

Movements Launched by Gandhi

MOVEMENT	ABOUT	IMPLICATIONS
Champaran satyagraha 1917	First civil disobedience	Farmers were forced to grow indigo on 3/ 20th part of the land (tinkathia system), and pay high rents to the British, Gandhi was successful in forcing the British in removing these policies
Ahmedabad mill strike 1918	First hunger strike Satyagraha	Plague bonus was discontinued by the mill owners for the cotton workers at the time when plague was at peak, after his interference bonus was resumed Salary 35%
Khedha satyagraha 1918	First non co-operation	Crops failed because of the drought, still peasants were forced to pay high taxes and land was seized if not paid, Gandhi supported peasants and made them not to pay it, finally British took back there demands.

Scanned with OKEN Scanner

Gandhi political guru- Gopal krishn gokhale.

Rowlatt satyagraha 1919	First huge mass level strike	Government passed this law to arrest the people without trials for seditious & anti-government activities to curb growing nationalisation. Blackout

British Regulations & Acts

ACT	ABOUT
Regulating Act of 1773	To overhaul management of East India Company's rule in India
Pitt's India Act of 1784	It provided for the joint rule of the crown and company with the crown being the supreme authority.
Charter Act of 1793	the East India Company Act 1793 was passed in the British Parliament in which the company charter was renewed.
Charter act of 1813	The Charter Act of 1833 was passed in the British Parliament which renewed the East India Company's charter for another 20 years.
Charter Act of 1833	This act permitted the English to settle freely in India, This act legalised the British colonisation of the country.
Charter Act of 1853	The Law member (fourth member) became a full member with the right to vote, The Legislative Council which had six members now had 12 members, the Governor-General could nominate a vice president to the council, The Governor-General's assent was required for all legislative proposals.

Governor Generals (First-Last)

GOVERNOR GENERAL	EVENTS
Lord Warren Hasting (removed before term for intervening Indian culture)	Made regulating act, pitts Act. He founded Asiatic society with William jones, Stopped Mughal pension to shah alam
Lord Cornwallis	Permanent settlement in bihar & Bengal. Made Indian civil services (Satyendra nath Tagore was 1st India to qualify civil services)
Lord John Shore	He made zamindari system (functioned in Bengal, Bihar & Orissa) Sanskrit college in Banaras was founded by Jonathan Duncan
Lord Wellesley	Made charter Act which gave 20 years trade monopoly to EIC Made Tipu sultan (son of Haider Ali) die. He captured every Indian region except Sindh & Punjab. He Made madras presidency. He was involved in 2nd & 4th anglo Maratha war
Lord Hastings	Treaty with Nepal, Made Bombay a "Presidency"
Lord William Bentinck (1st Official governor general of India)	Made English schools, abolished sati with help of Raja ram Mohan Roy
Lord Dalhousie	Made Doctrine of lapse (If king has no son, he is obliged to giveaway kingdom) & annexed satara, Jhansi, Nagpur, baghat, samhalpur, jaitpur & Punjab. He made 1853 charter Act. 1st Telegram line in India & woods dispatch act, 1st Mumbai-thane railway line, widow remarriage act. Shifted ordinance depot from Calcutta to Meerut
Lord Canning (1st viceroy of India)	Revolt of 1857 took place, Made Universities,
Lord Lytton	Made press act (it was removed by lord Rippon who also proposed illbert Act)

Scanned with OKEN Scanner

	Charles Metcalfe gave lot of power to Indian Press
Lord Rippon	Got 1st census done (earlier tried by lord mayo wasn't a success) Made 1st factory Act against child labour Hunter report was for primary education & local boards He brought ilbert bill which allowed Indians to try cases, This initiated white mutiny & Bill was withdrawn.
Lord Dufferin	Formed Indian National Congress
Lord Curzon	Partition of Bengal (To supress rising nationalism whose hub was Bengal)
Lord Chemsford	Made reforms based on Government Of India Act 1919 after considering Montagu August Declaration. Indian Leaders rejected. Introduced Diarchy (Power shared between British & Indians)
Lord Irwin	Advised Simon commission. Lala Lajpat Rai lost his life during protest. Brought Irwin declaration which was opposed by Gandhi. Gandhi initiated civil disobedience & was put to jail. Due to this no one attended 1st round table conference. Gandhi-Irwin Pact put end to satyagraha & boycott of foreign goods.
Lord Linlithgow (viceroy for longest time)	Declared India at war during 2nd world war, Indians rejected but Muslim league accepted. Proposed August offer that if India supported in war then constitution making body to be appointed. Congress rejected Indian National Army was formed. SC Bose founded forward block, also escaped India. PM Churchill sent proposal under Stafford Cripps (Cripps Mission) to provide India Dominion status. Setting up elected body to frame constitution. Everyone rejected as all this was promised after war. Gandhi said "It is post-dated cheque on failing bank" Later in years "Quit India Movement" was launched
Lord Wavell	Bengal Famine occurred. Shimla Conference (Wavell plan) proposed government accepted by all representation i.e Muslims, Sikhs etc. With various flaws. Wavell plan was dissolved and with it every last chance to avoid partition British government changed. New labour government intended full independence to India and replaced lord Wavell with Mountbatten. Cabinet Mission was sent by PM clement Atlee which failed since Muslim league had different ideology and demands.
Lord Mountbatten (1st governor general of independent India)	Last viceroy. Avoided partition but Jinnah denied. Failed to persuade princely state J&K, Hyderabad, Junagarh.
